PROFILE

David Garavito Cuervo has 7 years of experience as part of Gómez-Pinzón's Litigation and Dispute Resolution Practice Group. There he has specialized in contractual liability cases arising from private and public construction projects, in commercial agency risk management in goods distribution and fiduciary relationships, in corporate governance and share purchase disputes, and in enforcement proceedings. Among the lines of work and forums in which he has participated are arbitration, civil and contentious-administrative specialties of the ordinary jurisdiction, constitutional jurisdiction and extraordinary recourses of cassation and annulment. He has additional academic training in Roman Law, European Union Business Law and International Public Law.
