+57 (601) 319-2900 Ext. 603

PROFILE

Mario has experience in litigation and dispute resolution. His practice has been mainly focused on judicial proceedings before the Contentious-Administrative Jurisdiction and Arbitration Courts (national and international) with state parties or involving public resources. In his professional practice he has participated in the counseling and resolution of controversies in the Oil & Gas sectors in the production chain, transportation and refining of hydrocarbons (upstream, downstream and midstream), infrastructure and construction, particularly road and airport concessions, as well as in telecommunications regulation. He also has experience in disciplinary and fiscal responsibility processes.
